Arizona Toastmasters Yearend Audit Report

The 2011 - 2012 Yearend Audit was completed on August 18th by Guy Kuawu, Theodora Hackenberg and Audit Chair DJ McMurray.

The Audit Committee found all protocols for Toastmaster were enforced. We did not find any issues or weaknesses with the account practices of the treasurer, Jeannie Enders. She has done an exemplary job with record keeping and organization to make the audit committee job easy.

It is specifically noted that all weaknesses found in the mid-year audit were not found in this audit.

Respectfully Submitted,
