CLUB SUCCESS PLAN

Program Year2024-2025

The Club Success Plan (CSP) is a helpful resource to strategically plan how your club can reach its goals in the [Distinguished Club Program](#) (DCP). The club should work as a group, creating plans and measurable checkpoints for each goal, and then review these periodically throughout the year.

Select below how you would like to work with the CSP for this program year. Note that this decision needs to be agreed upon by the Club Executive Committee.

The 10 goals of the DCP have been placed into four groups:

Education

1. Four Level 1 awards achieved
2. Two Level 2 awards achieved

Qualifying Requirement

A qualifying requirement is a prerequisite or prior condition for participation in the program.

To be eligible for recognition, a club must meet the following three requirements:

1. A club must be in good standing according to Policy 2.0: Club and Membership Eligibility, Section 4: Good Standing of Clubs.
2. A club must have either 20 members or a net growth of at least three new, dual, or reinstating members as of June 30.
3. The club must submit the Club Success Plan by September 30.

If any qualifying requirement is not met, your club will not earn Distinguished recognition even if all Distinguished program goals are met. The Membership to Date number is the number of members that have paid dues to an individual club. This number matches the number of members on the club roster except when members transfer out of one club and into another. If a member transfers to a different club, their original club will still retain credit for their membership until the next renewal cycle. Note that transfer and honorary members do not count toward the qualifying requirements.

Although your club may gain several new members throughout the year, if the amount of nonrenewing members is greater, then your club may not be eligible for recognition. The Distinguished Performance Report for each individual club will show the minimum membership base needed to meet this qualifying requirement.
